

NEW YORK STATE ASSOCIATION FOR AFFORDABLE HOUSING

What is the NYSFAH Voter Registration Initiative?

This is a **non-partisan endeavor**, being undertaken by **NYSFAH** in partnership with the **League of Women Voters of the City of New York**, to **significantly increase the rate of voter registration** among residents of NYSFAH members' affordable housing developments across New York City. Affordable housing managers and staff have multiple opportunities for direct interaction with tenants where voter registration can be promoted, including new lease-ups, lease renewals, and ongoing outreach at building events.

NYSFAH and the League of Women Voters will hold regular training sessions for NYSFAH member staff, in addition to providing resources and support for voter registration activities at individual properties.

For this initiative to succeed, it is important that NYSFAH members identify the appropriate management and staff at their properties who can engage with tenants and facilitate voter registration efforts, in addition to letting NYSFAH know about events and programs that can be combined with registering tenants to vote.
